

KingExtra[®] EC30

Acid efflorescence cleaner.

DESCRIPTION

KingExtra EC30 is a liquid applied cleaner that chemically breaks down and removes efflorescence, salt deposits, lime stains, and rust from concrete, brick, pavers, and other masonry surfaces.

APPLICATIONS

KingExtra EC30 can be safely used on a wide variety of building materials and architectural structure such as:

- 🧱 Concrete.
- 🧱 Blocks.
- 🧱 Bricks.
- 🧱 Cementitious plaster.
- 🧱 Pavers.

ADVANTAGES

- 🧱 Single component.
- 🧱 Ready to use.
- 🧱 Ideal for environments with high levels of salt air which can naturally create high calcium deposits.

METHOD OF USE

Before use, remove any loose debris from the work surface and ensure you have adequate personal protection. Use a stiff bristle brush to sweep down the affected area.

With a hose, wet the wall surface with clean water. Immediately spread the product with a sponge, brush or sprayer. Leave the mixture to dwell for 2 - 5 minutes then hose off with clean water immediately.

In cases of heavy contamination it may be necessary to repeat this procedure.

Do not allow the product to dry on the surface.

As a final step, use detergent to neutralize the acid then wash it with clean water.

CLEANING

All tools should be cleaned immediately after application with clean water.

PACKAGING

KingExtra EC30 is available in 25 litre drums.

TECHNICAL PROPERTIES @ 25°C:

Colour:	Clear liquid
Specific gravity:	1.05 ± 0.1

COVERAGE

15 – 30 m² per litre, depending on the extent of contamination.

STORAGE

Shelf life is 1 year when stored under cover, out of direct sunlight and protected from extremes of temperature.

Failure to comply with the recommended storage conditions may result in premature deterioration of the product or packaging. For specific storage advice consult KingKrete's Technical Services Department.

HEALTH AND SAFETY

As with all chemical products, care should be taken during use and storage to avoid contact with eyes, mouth, skin and foodstuffs. Treat splashes to eyes and skin immediately. If accidentally ingested, seek medical attention. Reseal containers after use. Use in well ventilated areas and avoid inhalation.
